WE LISTEN

WE CARE

WE EXCEL

WE ARE THANKFUL

WE LISTEN

The Rosendin Foundation cares about the well-being of our communities and listens to their needs. Our stakeholders determined that Health is a critical need and will be the focus area through 2026. We partner with community focused nonprofit organizations to support emotional, nutritional, or occupational health programs.

Nutritional Health

Our local communities need additional assistance to overcome the food insecurity crisis, which is where The Rosendin Foundation can provide some support.

Emotional Health

The Rosendin Foundation understands that instilling a sense of connectedness helps people, especially in the construction industry, achieve positive emotional health.

Occupational Health

We seek to ensure that the construction industry continues to work toward improved health with a commitment to injury prevention and employee education while prioritizing safety.

WE ARE THANKFUL

We are thankful for our generous sponsors for allowing us to continue to grow since we started in 2020.

Grants Issued

\$1,890,350

WE CARE

We conduct Service Days, where volunteers donate their time, talent, and skills with hands-on volunteering with local nonprofits. We plan to expand to quarterly in 2024, when project teams in our communities volunteer together for the betterment of our communities.

We encourage employees of our annual sponsors to participate in our Service Days to show construction gives back to the communities where we build.

WE INNOVATE

TRF Camp Build is a FREE day camp for current 6th-8th graders (co-ed) to give them real hands-on experience and the tools to continue to build. The camp offers projects such as building lamps, stepping stones, and doghouses to be donated to the local community.

Campers learn skills such as personal safety, masonry, soldering, pipe bending, woodworking, and painting; as well as all available career opportunities in the industry.

WE EXCEL

Our largest fundraiser is our annual Golf Tournament & Auction. Started in 2022, our golf tournament is not only a successful event to raise money for our efforts, but is a fun event, allowing our sponsors to learn and talk about what we are doing with their charity.

As an annual sponsor, you have the opportunity to participate in this event every year you sponsor.

WE SHARE

The Rosendin Foundation primarily supports the broader community through financial grants. Since we formed, TRF has donated \$1,890,350 to 221 unique nonprofit organizations with grants ranging from \$2,500 to \$50,000.

This year, we plan to issue an additional \$1,350,000 to nonprofits. Visit our website to see a full list of the nonprofits we support.
